## TYPES of VEHICLE WRAPS

- **Complete Wrap** – Covers the entire surface of the vehicle. Transparent film is used on the glass.
- **Partial Wrap** – Covers a large section of the vehicle and designed to compliment your vehicle's original color.
- **Window Graphics** – Designed to cover the side and rear windows of the vehicle. No graphics applied to the body.
- **Graphics Package** – Large printed or vinyl graphics. (Example Evergreen Cleaners pictured here)
